INSURANCE — PLAN 2

Even a small trip to the hospital can have a major impact on your finances.

Here's a way to help make your visit a little more affordable.

We've got you under our wing.®

AFLAC GROUP HOSPITAL INDEMNITY INSURANCE — PLAN 2

Policy Series CA8500-MP

The plan that can help with expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And though you may have major medical insurance, your plan may only pay a portion of your entire stay.

That's how the Aflac group Hospital Indemnity plan can help.

It provides financial assistance to enhance your current coverage. So you can avoid dipping into savings or having to borrow to address out-of-pocket-expenses major medical insurance was never intended to cover. Like transportation and meals for family members, help with child care, or time away from work, for instance.

In addition to providing you with cash benefits (unless otherwise assigned) during a covered hospitalization, the Aflac group Hospital Indemnity plan has been designed with much more in mind, such as:

- **No deductibles.**
- **No networks, which means you can be treated at the hospital of your choice.**
- **No precertification.**

Understanding the facts can help you decide if the Aflac group Supplemental Hospital Indemnity plan makes sense for you.
